

# Save the Forest Now Statement of Endorsement

The \_\_\_\_\_ organization enthusiastically endorses the Whidbey Camano Land Trust's efforts to protect the 664-acre forest known as the Trillium property. We also encourage the entire community to support it. A healthy, sustainable forest will provide wildlife habitat, public recreational opportunities, and a place where future generations can experience the wonders of the natural world. The members of \_\_\_\_\_, residents of Whidbey Island, and visitors will all benefit from this project, and we, as an organization, are completely committed to its success.

We are happy to have our name and contact information listed on the savetheforestnow.org web site, in news releases, and in other printed materials.

## We want to do more!

- My organization will help save the Trillium property by collecting pledges and donations and submitting them to the Land Trust by September 10, 2010.
  - If the Land Trust is unable to raise enough money in time to save the Trillium project, we want our donation to be used to protect other important land on Whidbey Island.
- As a representative of my group, I will write a letter in support of this project to the editor of my local newspaper by this date \_\_\_\_\_.
- I know somebody who has the potential to be a major donor.
  - I will contact him/her on behalf of the Whidbey Camano Land Trust.
  - Please have someone at the Land Trust contact: Name \_\_\_\_\_
